

Florida Refuse & Cedar Trail
Landfill

have been

Stewards

of the land in Polk County
for
many years.

Cedar Trail Landfill has been an excellent neighbor and steward of the environment for many years. Cedar Trail Landfill has the most professional and experienced employees that manage the facility on a day to day basis. The average tenure with the company is over 8 years. All operators are certified with the Florida Department of Environmental Protection and the University of Florida TREEO Center.

It's
our
home
too

Loads delivered are randomly selected for quality control. Cedar Trail Landfill is looking to increase it's presence as a corporate partner within the City of Bartow. Landfill tours can also be arranged. Any organizations that are looking for support or would like to visit the Landfill should contact Mark Talbott General Manager Cedar Trail Landfill. **863.665-1489**
